Butterfly Parents

If your child is four years old, or will be four by September 1, he/she is eligible for the state sponsored Pre-kindergarten program. If you want to enroll your child in a Pre-K, now is the time to start the process. As you know we do not provide Pre-K. The question always comes up, "can we stay even though our child is four?" Yes, you can, however once August comes we will have a new crop of young Butterflies, so your four year old will be much older than his/her peers. Just thought I'd throw that out there: food for thought. If you do secure a space in a program please let us know as soon as possible so we can project what our enrollment availability will be for August.

What about the driveway

As you know the driveway can only accommodate six cars at a time and that's only if we all "play nice." If you want to spend more than five minutes in the classroom we recommend that you park on the street. It would be very helpful if everyone would pull all the way to the front of the line, leaving space behind for other vehicles as well. Thanks for your cooperation with this.

Pearls of Wisdom from Ms Jo

Hope sees the invisible, feels the intangible and achieves the impossible.

Valentine Parties

We are celebrating Valentine's Day on Friday the 13th with the exception of the Beetles who will celebrate on Thursday the 12th. If you'd like for your child to give out Valentine cards, please bring the cards in that morning. For the ease of your child handing out the cards please do not address the cards to an individual child. All you need to do is write in your child's name.

Snacks provided by Kids Kondo.

Sick Policy

If your child is ill or is sent home due to illness he/she must not return to school until they are symptom free for a minimum of 24 hours. We will not administer any medications without a completed Medication Authorization form, available on our website under the Forms tab.

Immunization Form 3231

Just a reminder, we are required to keep current immunization certificates for each child. Notices were sent to those who will be expiring soon. Please be sure to get form 3231 only, that's the golden ticket.

Our Attitude is Gratitude

We are grateful to the following parents for assisting with the Chinese New Year celebration.

Mia Van Wagenen	Sage & Shane McIntosh
Dilli Aberra	Katie Jackson

We are also grateful to Price's parents, Gail and Scott, for their creative generosity in sharing Price's birthday with the entire Beetle class.

And speaking of being grateful, kudos to our entire staff. We could not do it without you. They have the attitude to ensure the center runs smoothly. They work extremely hard and take such good care of the children. Here's to a job well done.
