Scholastic Book orders

Scholastic Book order forms are available in the foyer. If you'd like to place an order return the form with a check made payable to Scholastic Books by 4/17/09. They have some awesome books and reasonable prices and we earn free books and resources.

Sick children

Please consider our sick policy before you send your child back to school. The policy states that children should be fever free and/or symptom free for 24 hours before returning to school. Illness can spread quickly from one child to another. This is the reason for this policy.

Shoes

For the safety of your child we strongly recommend NO open toe shoes, They are so cute we understand, but they are a safety risk.

Label, label, label

All bottles, cups, jackets, basically anything you bring from home needs to have your child's name on it. First and last name must be on all bottles and cups.

Drive way

Please do not leave your car running or your purse on the front seat while dropping off children. We haven't had any problems lately but we are in the city and we'd rather be safe than sorry. Also try to keep the driveway moving at drop off and pick up

Withdrawing or adding children

If you plan on withdrawing your child we require four weeks notice. If you know that your child will be attending another school in the fall we appreciate you letting us know as soon as possible so that we have a better understanding of our enrollment for the fall.

Pregnant Kids Kondo Mom's

If you are pregnant and wish to enroll your newborn in the infant room, please let us know ASAP! There is a shortage of infant spots in the city right now and our infant program is in high demand.

To reserve a spot you must complete a Registration Form (on the web site, click forms) and pay the \$125 registration fee. This is how you secure a space for the infant room.

Tadpoles and Polliwogs

A few tips about the new controlled access Keypad.

Enter the code and then the "unlock" button. The door will unlock, upon exiting please lock the door, by pressing the "lock" button. This will help us keep everyone in who needs to be in and out who need to be out.

5/4/09-5/8/09 Teacher Appreciation

Teacher Appreciation is a nationally celebrated tradition; which gives parents the opportunity to show their appreciation directly to your child's teacher(s).

This year our theme is: "Things that belong in a purse." Each teacher will have a purse in the office with her name on it. Parents are invited to put items in any purse that they want to, it does not have to even be your child's teacher. It's up to you, do as much or as little as you'd like. Use your imagination... The purses will be in the office all week; you may also give the items to Ms Jo or Ms Raquel and we will put them in the persons' purse, these items will be given anonymously.

5/4/09- 5/9/09 Spirit Week

This year we will have our spirit week during Teacher Appreciation week. Children and teachers are invited to participate as much or as little as you want. The teachers will be in competition to see who has the most school spirit.

FRIDAY Casual Day/ or sport your favorite 70's style, if you got em flaunt em.

Play More Music

Kids Kondo is continually thrilled to have Play More Music instructor Ms Amy with us each Monday morning for music class. She has been teaching us new songs and dances all year and we love her! She also is an in-home private piano teacher for Play More Music if any students are interested in taking lessons with her.

Play More Music is a family-owned music studio for in-town Atlanta neighborhoods. They are announcing enrollment for summer camps and flexible monthly lessons. Your children (or you!) can take private in-home lessons on virtually any instrument, group lessons in a professionally directed "Classical Ensemble", or rock out to your favorite tunes in a real "Rock Band". Use the summer months to explore a new activity while you have the time! You can find out more about them on the web at www.playmoremusic.com or by picking up a brochure in the lobby.
