Thank you everyone

for the great participation during spirit week.

It was a lot of fun for everyone!!

Also, thank you for the appreciation shown to our staff and teachers during Teacher Appreciation Week, you made us feel awesome!!

Withdrawing or adding children

If you plan on withdrawing your child we require four week's notice. If you know that your child will be attending another school in the fall we appreciate you letting us know as soon as possible so that we have a better understanding of our enrollment for the fall.

If you would like to add another child, please let us know this as soon as you realize that you are pregnant. We have many people in the neighborhood who would like to bring their babies to Kids Kondo; however you get preference over new families.

Summer fun for the family

I thought I'd share some fun summer activities that I've learned about over the years. Let me know if you found something that you'd like to share and I'll add it to upcoming newsletters.

Piedmont Park has a new pool, good for all ages, it looks like a huge improvement, and you can see it on the Piedmont Park Website.

Garden Hills Pool has a great baby pool and good shade, decent snack bar as well.

Mc Coy Pool, I just learned about this pool today and it sounds perfect for the under five years old crowd. 534 Mc Coy St Decatur

Zoo Atlanta, you already know this right??

It is a really fun place for all ages; get the family pass to save you a ton of money. It's good for the whole year and the Zoo has activities and special events for members all year long, a great bang for the buck!

Centennial Park, every fourth Saturday 12:00-4:00 offers free family activities and the fountain is fun for children of all ages, bring your towels.

Happy Father's Day

to all the awesome daddy's 6/21/09
