News

Save the date, Friday, August 7th for the Annual Butterfly Send off Luau in the back yard and clubhouse. The festivities will begin at 3:30 and end when you can't limbo anymore! We will miss our big Butterflies and send them away with lots of love and encouragement as they continue to grow and learn. Hope they visit the center on occasion. Parents are welcome to attend.

Welcome

Summer Fun for the Family

Thanks to Kelly Fowler (AKA Ty's mom,) Ms Leslie and Meredith Smith (AKA Cole's mom) for these great summer fun spots. If you know of a great place e-mail Ms Jo, so we can share.

Atlanta Botanical Garden

The garden offers something for everyone. It's a great spot for young children and they have a children's area complete with activities, classes and a fountain the little ones can play in. Bring extra clothes, or a swim suit. Visit their website www.atlantabotanicalgarden.org

Another Pool...Emory has a beautiful swimming facility with the easiest access off Clairmont Rd. Memberships are available, but not required. They also have covered parking which is great in this heat.

Fire Station #19 on North Highland has Story hours on the weekends check the board in front of the station for dates and times. Also many bookstores offer story hours on Saturdays for free!!!

Visit a Farm and pick your own fruit. There are low branches for the children. Lots of fun!! www.pickyourown.org/GAEJ.html

Adding and Withdrawing

You can help us preplan our fall enrollment by notifying us four weeks in advance if you intend to withdraw your child and please, please, please let us know if you are expecting another child and would like to enroll them at Kids Kondo. We currently have a waiting list and we would like to accommodate as many kids as possible.

Fees

July marks the beginning of the third quarter, so material fees are due July 1st. The fee is \$50 per child (\$75 for 2 or more).

Reminders

We are closed Friday the 3rd of July to celebrate our nation's Independence. Have a safe and fun 4th.

Monthly Quote

A characteristic of the normal child is he doesn't act that way very often. ~Author Unknown
