Farewell Friends

It's time again for the Butterfly's to leave their cocoon and fly away from Kids Kondo to start Pre-k. We will miss all the smiling and sometimes tear streaked faces of each and every one of you, children and parents alike. It has been a joy working with all of you!! Stop by and visit anytime. Our Farewell Party is Friday, August 7th at 3:30. Parents are invited to attend.

Thank You BBQ Volunteers

Why didn't my child move up???

We move children up to the next classroom based on several factors. The factors we consider are... is it developmentally appropriate for the child; how mobile is the child; the size of the child; their coordination; language skills; their ability to use the bathroom; personality of the child; and lastly, is there space available in the next room. If your child is not scheduled for the move up on August 10, don't worry, he/she will move up at the next opportunity.

Reminders

Please pull in and park as close to N. Highland as possible. This will allow more cars in drive for drop off and pick up. Our parking space is very limited and we need every one doing their part.

Infant parents please relock door to the infant room when leaving building.

Tuition is due every other Friday as indicated on the calendar on our web page.

Pearls of Wisdom

People mistakenly assume that their thinking is done by their head; it is actually done by the heart which first dictates the conclusion, then commands the head to provide the reasoning that will defend it.
