Play More Music

We are excited to have Play More Music instructor Ms Amy back on Monday mornings. Now we can all have a chance to sing and dance! You may not know that Ms Amy also provides private piano lessons through Play More Music, if any students are interested in taking lessons with her.

Play More Music is a family-owned music studio for in-town Atlanta neighborhoods. They are currently enrolling for school-year lessons. Your children (or you!) can take weekly private in-home lessons on virtually any instrument and play in their "Rockin Recitals" at Eddies Attic. You can find out more about them on the web at www.playmoremusic.com or by picking up a brochure in the lobby.

Labor Day

We will be closed Monday, Sept 7th in recognition of this Great Day!!

Money Matters

Tuition increases by \$5.00 per week effective 9/14/09.

We do billing every other week; the next billing date is 9/14/09 and covers the weeks of 9/14-9/25. We have a calendar on the website with billing dates and school closures which many parents have found to be useful.

Scholastic Books

Some of you may remember these from when you were a child. Scholastic Books offers books for all different age readers, and a wide variety of topics. You select the books you'd like to order, make checks payable to "Scholastic Book Clubs" turn in the order forms by 9/14/09; we usually have the order back here in two weeks. The books are very colorful, inexpensive and Kids Kondo "earns" free books for every order, so it's a nice program for everyone. If you'd like to purchase a book for your child's class see Ms Jo for our wish list.

Reminders

Please park as close to N Highland Avenue as possible, leaving space for others behind you and limit your time dropping off and picking up to 5 minutes, if you are in the driveway.

Also on this topic- please do not leave children in the car while dropping off siblings, we are happy to assist you, give us a call 404-897-1936 and let us know that you are here. Do not leave your keys in the ignition, or valuables on the seat, we have not had any problems and we don't want any in the future.
