Inclement Weather School closing

So the rain stopped and we bailed out the basement. Just in case you were unaware of the procedure for how to find out if Kids Kondo is closed. We have several ways to communicate this information to you.

1. Check our website.
2. Call 404-897-1936, our phone number to hear a recorded message.
3. Watch 11 Alive, where you can see all the latest school closings.
4. If you are signed up for our email, you should receive a message.

Save the Date

We will have our annual Halloween Bash on Friday, Oct. 30 from 4:00-5:30. Please send the costumes in with your children, **not on them**. We will assist the children with their costumes after nap on this day. If you would like to help put costumes on please let Jo or Raquel know (you'd need to be here at 3:00). Parking is an issue for this event; please do not park in the driveway as not everyone will want to stay for the fun.

Money Matters

For those of you who are not using Tuition Express, the 4th quarter material fee is due.

Tuition Express families will be billed this fee along with tuition on 10/12/09, which is the first billing period in October.

Remember this fee is \$50.00 for one child and \$75.00 for two.

Scholastic Books

Thank you everyone who ordered books last month. We received 10 free items, because we had such a large order. That is awesome!! The October order forms are in the foyer. The order forms are easy to use, all you need to do is select the books you'd like to order, make checks payable to "Scholastic Book Clubs" and get everything turned in to the office by 10/10/09; we usually have the books back here in two weeks, or less. When the books arrive we will put them in your diaper bag or cubby.

Reminders

Monthly supplies are due the beginning of each month.

Please bring in a clean crib sheet each day for the Turtles, Bumblebees, Caterpillars and Butterflies. We need a crib sheet, not a bassinet sheet as these do not fit on the cots.

Please park as close to N Highland Avenue as possible, leaving space for others behind you and limit your time dropping off and picking up to 5 minutes, if you are in the driveway.

Also on this topic- please **do not leave children in the car** while dropping off siblings, we are happy to assist you, give us a call 404-897-1936 and let us know that you are here. Do not leave your keys in the ignition, or valuables on the seat, we have not had any problems and we don't want any in the future.

Pearls of Wisdom

Kindness is the language that the deaf can hear and the blind can see.

~Mark Twain~
