Scholastic Books

Scholastic Books offers books for readers of all ages; order forms are located in the front foyer. If you would like to order, please complete the order form attached to the flyer, be sure to include your child's name, and submit the form along with a check made payable to "Scholastic Book Club" to the office by September 10th. We usually get the books back to the children in two weeks or less. Kids Kondo "earns" free books with each order, so it's a great set up for everyone!

On a side note, we always accept book donations, if your children outgrow them we have plenty who can use them right here.
