Teacher Appreciation Week May 2-6

Teacher appreciation week is a nationally celebrated tradition and is the perfect time in the year to take a moment to show your appreciation to teachers for all the effort they put in each day to teach and care for your children.

This year our theme is “*Things to do on the weekend*”. We will have a box in the office to drop off gifts. Please put the teacher’s name on the gift and bring to the office by Thursday. We will assemble the gifts in a basket for each teacher and present to them on Friday. Items may be given anonymously, if you prefer. It’s up to you; use your imagination.

Spirit Week May 2-6

Spirit week and Teacher Appreciation week will include lots of fun activities and it is a great opportunity to increase interaction between teachers, students and parents. The teachers will compete against each other to see just who has the most school spirit and the kids (parents) get to share the fun by letting the kids play dress up.
